

# Stan's Transportation

## COMPANY OVERVIEW

At Stan's Transportation, we operate a growing small fleet with big-fleet capability, delivering reefer, dry van, and flatbed solutions nationwide. We focus on consistency, adaptability, and doing things right the first time. Our company is built on trust through honest communication, reliable service, and a strong code of conduct. We take pride in serving all 48 states with a primary emphasis on the Midwest. Our team reinvests in our operations to ensure safety, performance, and continuous improvement. We are driven by one mission: Let's Keep America Moving Forward.

## CORE COMPETENCIES

- **Reefer Transportation**
- **Dry Van Freight**
- **Flatbed Hauling**
- **48-State Coverage with Midwest Specialization**
- **CDL-Certified Transport Services**
- **Long-Term Subcontracting Support for Government & Private Sector**
- **Time-Sensitive & Temperature-Controlled Deliveries**

## DIFFERENTIATORS

- Multi-trailer capability: reefer, dry van, and flatbed.
- Proven reliability with consistent on-time delivery performance.
- Flexible, solution-focused approach tailored to shippers' changing needs.
- Strong code of conduct and commitment to doing things right the first time.
- Active reinvestment in operations to ensure efficiency and long-term service quality.

Stan's Transportation has served Lantern Distribution as a subcontractor for the Department of Corrections for over three years and has also provided reliable freight support to CDL Transportation.
